STATEMENT ON SUBSTANCE OF INTERVIEW

This paper records the substance of the Examiner-initiated telephonic interviews held between the undersigned and the above-identified Examiner on March 23 and 26, 2004 in connection with the above-identified application. In the interview, the preamble of the pending claims was discussed. The Examiner proposed amending the preamble to read "an inflatable product for supporting a user" for the purpose of "putting the invention in an environment." Applicant did not agree to the proposal.
